

Thank you for your interest in Housing Forward's Associate Board. We're glad you want to be part of Housing Forward's solution to homelessness.

**About Us:**

Housing Forward is the leading provider of supportive housing in all of suburban Cook County. Our solution is comprehensive and long-term, not just a quick fix, which benefits our clients and also the communities in which we operate.

Our agency was founded in 1992 with the creation of an overnight Emergency Shelter program that addressed the growing problem of homelessness in Oak Park and the surrounding suburbs. Today, we serve the communities of west Cook County and the west side of Chicago, an area with a population larger than many mid-size cities.

Housing Forward's comprehensive solution to homelessness leverages the impact of more than 1,200 volunteers, 9 shelter host sites, nearly 100 congregations and service groups, and 20+ partner agencies to help in delivery of services. Our programming is designed, implemented and evaluated by a highly credentialed staff.

We've sustained year-to-year growth over the past five years, with our operating budget more than doubling from \$1.1 million (2009) to \$4.3 million (2016) \$6.3 million in 2017, and in 2018, we expect that to increase to over \$7 million. The Associate Board and its activities will be integral to our future success.

**Our Vision:** the end of homelessness

**Our Mission:** to transition people from housing crisis to housing stability

**Our Values:**

- client-centered services delivered with dignity and respect
- collaborative relationships
- open communication and information-sharing
- community support
- integrity, passion, perseverance and the pursuit of excellence in our work
