
HOUSING FORWARD'S LANDLORD PARTNERSHIP PROGRAM

Helping individuals, families, and veterans who are experiencing homelessness to lead independent lives.

The Landlord Partnership Program recognizes the investment of landlords willing to work with individuals in need of affordable housing. The Program provides rental property owners with a steady revenue stream, and encourages them to rent their vacant apartments to individuals and families paying a fair market value rent. The effort ensures regular rental payments for participating landlords and a 24 hour emergency call number, while ensuring safe, affordable housing for those in need.

What is “Supportive Housing?”

Supportive Housing is a type of housing for persons leaving homelessness that offers rental assistance (length of assistance depends on the program) and supportive services.

Housing Forward partners with 35+ area landlords to provide 200+ apartment units throughout west and south suburban Cook County that are affordable and accessible for the participants we serve.

How are we ending homelessness through Supportive Housing?

- Reducing the length of time program participants spend in homeless
- Exiting households to permanent housing
- Limiting returns to homelessness within one year of program exit

Housing Forward is the only nonprofit organization in west Cook County with a comprehensive, long-term solution for preventing and ending homelessness. We prevent homelessness whenever possible, respond to housing crises, and stabilize those facing homelessness with permanent housing, working toward our vision of ending homelessness.
