

ABOUT HOUSING FORWARD

Each year, Housing Forward assists over 2,000 individuals and families who are experiencing homelessness or housing crisis in west suburban Cook County. Since our inception, we have served more than 22,000 people.

We provide wraparound support from the onset of a financial or housing crisis to its resolution. Our programs are tailored to the needs of the individual or family based on their point of engagement with us.

We invite you to partner with us in our work to end homelessness.

OUR MISSION

Housing Forward's mission is to transition people from housing crisis to housing stability. We work to prevent homelessness before it occurs, respond to those experiencing a housing crisis, and provide stability through permanent housing.

Ending homelessness means addressing it at all levels. Please consider joining us as we work to end homelessness.

THE HAVE A HEART GALA

Our cornerstone event will bring more than 400 guests and partners together to celebrate Housing Forward's impact over the past year and to ensure individuals and families experiencing homelessness and housing crises will receive the life-changing services that Housing Forward provides. An investment in the Have a Heart Gala is an investment in the future of the people we assist.
